PARENTAL CONSENT (campers younger than 21y.o)

Youth camp is open to all youths aged 12 (P6) and up. However, due to Covid-19 restrictions, afternoon activities are only available to youths 14(sec 2) and below on a limited, case by case basis. This year camp will be run in a hybrid format, with multiple options, in-person worship in church, activities in small groups, and online zoom meetings.

The theme for the camp is the “Heart Of Worship”, join us and discover what worship means in a time where there’s no singing and in-person gatherings !

This is NOT a stayover camp (though we are exploring the possibilities of a sleepover at different homes.)
