# Good News and Bad

"He is not afraid of bad news; his heart is firm, trusting in the LORD." Psalm 112:7 ESV

First the bad news. This year two of our church kindergartens are closing. My wife and I were at the Graduation Concert of Clementi Woods Kindergarten, jointly started by The Bible Church and Mount Carmel BP Church. At the final Graduation, the sanctuary was packed to overflowing with families of the children. As promised, it was the "final and finest year" with praises sung to the Lord, thanks extended to teachers and parents, and tears shed at the end of 41 years (1985-2026) that had seen 4,000 children passed through the kindergarten.

Shalom BP Church kindergarten is also closing this year after 35 years. Likewise, Hebron closed its preschool in 2023 (after 26 years), Galilee in 2021 (37 years), and Zion Serangoon in 2019 (63 years). Zion Bishan pivoted to childcare and continues after 32 years. With new government policies, even church childcare centres will face challenges beyond 2030. Please refer to an article "Saving Our Kindergartens" by Elder Oswald Goh, on bpcis.org.sg.

**PASTORS' WIVES BOOK**

Now, some good news. Our pastors' wives came together in 2023, and have since been meeting every year. They have put together a book, "Sustained By Grace: Eight Pastors' Wives Share Their Stories". These are, as I wrote in the Foreword, "Stories of struggle and sacrifice, challenges on multiple fronts, and feelings of inadequacy and utter dependence on God. They bore them all, often in silence and out of sight…." Available in December—make sure you get a copy. All proceeds to BPCIS.

Another piece of good news. After holding our annual Leaders Retreat for 2D1N, we decided to give more time for fellowship and for processing our learning—next year's Retreat will be 3 days and 2 nights (6-8 July, 2027). All staff and lay leaders are encouraged to join.

# Good News and Bad

**ENDOWMENT FUND**

Finally, the Endowment Fund, launched in September at our 15th Anniversary Service, is gaining momentum. With its principal sum preserved, the interest and investment returns will go to help less-resourced churches with their HR needs. Yesterday, HR reps from our BPCIS churches met to consider salary structures benchmarked to the teaching and social service professions. The Fund, in two months, has reached $250,000. Our goal is $6 million. Please prayerfully consider a gift or pledge so that we will take good care of God's servants who take care of God's work (I Tim 5.17-18).

P.S. One more piece of good news: Galilee BP Church will join BPCIS in January 2027 as our 13th church. Praise the Lord!
